Battlefield 3 PS3 Trophy Guide

When you first pick up your PlayStation 3 and launch **Battlefield 3**, the world of high speed combat and strategic warfare feels endless. Beyond the thrill of the battles themselves, the game offers a robust trophy system that rewards players for mastering the game's mechanics, completing missions, and achieving milestones. Whether you're a seasoned veteran or a newcomer looking to prove your prowess, this comprehensive trophy guide will walk you through every trophy available on the PS3 version of Battlefield 3.

Understanding the PS3 Trophy System

The PlayStation trophy system is designed to give players tangible goals and a sense of progression. Each trophy is a milestone that ranges from simple achievements—such as killing a single enemy—to complex objectives that require skill, strategy, and sometimes a bit of luck. Trophies are grouped into categories like "Story," "Multiplayer," "Extras," and "Special." Unlocking all trophies not only adds to your trophy count but also unlocks exclusive in game rewards such as custom paint jobs, weapon skins, and special missions.

Before diving into the trophy list, it's helpful to know the general structure of the trophy categories for Battlefield 3 on PS3:

- Story Trophies – Earned by completing the single player campaign.
- Multiplayer Trophies – Gained through online play, including kills, objectives, and match statistics.
- Extras Trophies – Unlockable by completing side missions, challenges, or exploring the game's features.
- Special Trophies – Rare or hidden trophies that often require unique actions or specific conditions.

Each trophy has a specific requirement, and the difficulty level varies. Some are straightforward, while others demand meticulous planning or a deep understanding of the game's mechanics.

Story Mode Trophies

Battlefield 3's single player campaign is a fast paced narrative that takes you through various global hotspots. Here's how to unlock each story trophy:

1. First Blood (Bronze)

Kill your first enemy in the campaign. The easiest way is to take advantage of the first mission's tutorial section. As soon as you see an AI soldier, press the attack button. This trophy is automatically granted when you make your first kill.

2. On the Frontlines (Silver)

Complete the first chapter of the campaign. Progress through the initial missions until you reach the end of Chapter 1. The game will automatically award the trophy upon completion.

3. A Long Journey (Gold)

Finish the entire single player campaign. This trophy is awarded after you complete the final mission. It's a testament to your perseverance and skill.

4. Battlefield 3: The Story (Platinum)

Earn all the story trophies listed above. Once you have First Blood, On the Frontlines, and A Long Journey, the Platinum trophy will unlock automatically.

Multiplayer Trophies

Multiplayer is where Battlefield 3 truly shines. The trophy list is extensive and covers a wide range of achievements. Below, we'll break down the trophies by sub category and provide actionable tips for each.

1. Kill Count Trophies

These trophies reward you for reaching specific kill milestones in multiplayer matches.

1. Kill Streak (Bronze) – Achieve 10 kills in a single match. Focus on high traffic areas and use the right weapon for the environment.
2. Rampage (Silver) – Reach 30 kills in one match. Plan your route, use cover, and coordinate with teammates.
3. Dominating (Gold) – Accumulate 50 kills in a single match. This requires advanced positioning and efficient use of the map's choke points.

2. Objective Trophies

Objective trophies are tied to completing specific objectives during matches.

1. First to the Point (Bronze) – Capture or defend a point in a capture the flag style map. Timing and coordination are key.
2. Hold the Line (Silver) – Successfully defend a point for a set amount of time. Use defensive weapons and support teammates.
3. Objective Master (Gold) – Complete all objectives on a map. This requires familiarity with the map layout and quick decision making.

3. Vehicle Trophies

Battlefield 3 is famous for its vehicle combat. These trophies celebrate your skill behind the wheel.

1. Speed Demon (Bronze) – Drive a vehicle for 10 seconds without stopping. Keep an eye on the speedometer and avoid obstacles.
2. Tank Commander (Silver) – Destroy an enemy vehicle with a tank. Aim for the engine or ammunition storage to maximize damage.
3. Hover Hero (Gold) – Complete a mission using a hovercraft. Hovercrafts are fast but fragile, so use them strategically.

4. Teamwork Trophies

These trophies emphasize cooperation and strategic play.

1. Squad Leader (Bronze) – Lead your squad to victory in a team match. Communicate and coordinate attacks.
2. Support Specialist (Silver) – Provide continuous support by healing or providing ammo to teammates for 5 minutes. Use support classes like the Medic or Engineer.
3. Ultimate Team Player (Gold) – Win a match with a 3 to 1 score advantage. This requires both individual skill and team coordination.

5. Special Multiplayer Trophies

These trophies are unique and often require specific conditions.

1. First to the Finish (Bronze) – Finish a match before the timer ends. Aim for quick, decisive actions.

2. Unstoppable Force (Silver) – Win 10 matches in a row. Consistency is key; focus on one map to master it.
3. Veteran (Gold) – Accumulate 500 kills across all multiplayer matches. This is a long term goal that rewards dedication.

Extras Trophies

Extras trophies involve side missions, challenges, and exploration. They add variety to your gameplay and often unlock unique in game content.

1. Customization Trophies

Earn trophies by unlocking new skins, paint jobs, and weapon upgrades.

1. Artistic Touch (Bronze) – Unlock a custom paint job for your vehicle. Complete a vehicle upgrade quest.
2. Weapon Masterpiece (Silver) – Unlock a custom weapon skin. Earn it by completing a weapon upgrade challenge.
3. Full Customization (Gold) – Unlock all available custom skins. Requires completing all related challenges.

2. Challenge Trophies

Battlefield 3 offers various challenges that test specific skills.

1. Precision Shooter (Bronze) – Achieve a 30% hit rate in a match. Focus on accuracy and use sniper rifles.
2. Rapid Fire (Silver) – Fire 100 rounds in a single match. Use rapid fire weapons like the MP5.
3. Ultimate Accuracy (Gold) – Kill 10 enemies with headshots in a match. Aim for the head and use high precision weapons.

Special Trophies

Special trophies are rare and often require unique actions. They're the most rewarding due to their exclusivity.

1. Hidden Treasure (Bronze)

Find a hidden in game Easter egg. This trophy is awarded when you discover the hidden location in the "Lost in Space" map. Keep an eye on the map's unusual landmarks.

2. Legendary Veteran (Silver)

Complete all multiplayer trophies. This requires a deep commitment to the game and a mastery of all gameplay aspects.

3. Platinum Glory (Gold)

Earn the Platinum trophy for Battlefield 3 by unlocking all other trophies. This is the ultimate testament to your dedication and skill.

Tips for Efficient Trophy Hunting

Unlocking trophies can be a time consuming process, but with the right strategies, you can streamline the experience.

1. Prioritize Trophies by Category

Start with the story trophies; they're the quickest to obtain. Next, focus on multiplayer trophies that require the least amount of time, such as the Kill Count trophies. This builds momentum and unlocks additional in game rewards that can aid in later trophy hunting.

2. Use the “Quick Play” Option

When hunting for match based trophies, “Quick Play” allows you to jump into a match immediately. This saves time compared to creating a custom lobby.

3. Master Map Knowledge

Knowing a map’s layout, choke points, and objective locations can dramatically increase your efficiency. Spend time in “Training” or “Practice” modes to familiarize yourself.

4. Team Up with Friends

Many trophies require teamwork or a coordinated approach. Playing with friends ensures better communication and increases the likelihood of success.

5. Keep an Eye on the Trophy Tracker

The trophy tracker displays your progress toward each trophy. Use it to plan your next move and avoid wasting time on unnecessary actions.

Common Pitfalls and How to Avoid Them

Even experienced players can fall into traps that delay trophy hunting. Here are common mistakes and how to sidestep them:

- Ignoring the Trophy Tracker – Not monitoring progress can lead to redundant play. Keep a close watch.
- Focusing on One Map Too Long – While mastery is good, diversifying prevents burnout.
- Overlooking Vehicle Trophies – Vehicles are often underutilized. Make them a part of your routine.
- Neglecting Customization Trophies – Skipping these can delay access to special skins.
- Rushing Through Matches – Speed can compromise accuracy. Balance pace with precision.

Frequently Asked Questions

1. Can I use a controller or keyboard to unlock trophies?

The PS3 version of Battlefield 3 supports both controllers and keyboard/mouse setups. However, controller usage is more common and often recommended for quick, responsive gameplay.

2. Are there any time limits for unlocking trophies?

No. Trophies can be unlocked at any time. However, some trophies are tied to seasonal events or limited time challenges, so keep an eye on announcements.

3. Can I trade trophies with other players?

No. Trophies are personal achievements tied to your PSN account. You cannot transfer them.

4. What happens
