far cry 3 trophy guide

Published: September 3, 2026 | Index ID: #-

Introduction

Far Cry 3 remains one of Ubisoft's most celebrated titles, blending a gripping narrative with an expansive open world that invites exploration, combat, and survival. For many players, the real thrill comes after the story ends: the hunt for trophies. Whether you're a seasoned trophy hunter or just starting out, this guide will walk you through every trophy in Far Cry 3, explain how to unlock them, and share pro tips to make the process smoother and more rewarding.

Understanding the Trophy System in Far Cry 3

What Are Trophies?

In the context of console gaming, trophies are the equivalent of achievements on PC. They are digital rewards that acknowledge a player's accomplishments, ranging from simple actions like "Finish a Level" to more demanding feats such as "Complete the Game on Legendary." Each trophy carries a point value, and collecting them all can unlock additional perks or simply give you bragging rights.

Where to Find Trophy Information

On Xbox One, the trophy list is available in the game's main menu under "Trophies." On PlayStation 4/5, you'll find them in the "Achievements" tab. For PC players, the trophy system is integrated through the Epic Games Store or the Ubisoft Connect platform, depending on your purchase. The interface typically lists trophies in categories like "Exploration," "Combat," "Survival," and "Miscellaneous."

Why Trophies Matter

Beyond bragging rights, trophies can unlock additional in game content, such as cosmetic skins or exclusive weapon upgrades. They also serve as a way to track progress and challenge yourself to explore every corner of the island. Completing the trophy list is a satisfying way to prove mastery over the game's mechanics.

Getting Started: Tips Before You Begin

Choose the Right Difficulty

Many trophies are easier to obtain on lower difficulty settings because enemies are less aggressive and resources are more plentiful. If you're new to the game or looking for a quicker trophy run, start on "Easy" or "Normal." Once you've collected most trophies, you can switch to "Hard" or "Legendary" for a more challenging experience.

Equip the Right Gear

Before heading out, make sure you have the best weapons and gear available. The "Advanced" weapon set from the "Weapon Store" is particularly useful for trophy hunting because it offers higher damage and better ammo capacity. Additionally, equip a **Camouflage Suit** to reduce visibility to enemies, which can help you complete stealth based trophies.

Plan Your Route

Far Cry 3's world is divided into several distinct regions: the mainland, the island's northern and southern halves,

and the volcanic area. Each region contains its own set of trophies. Planning a route that covers multiple trophies in a single run will save time and reduce backtracking.

The Complete Trophy List

Below is an organized list of all trophies in Far Cry 3, grouped by category. For each trophy, you'll find a brief description, the required action, and any special conditions.

Exploration Trophies

- Island Explorer – Discover all 20 hidden locations on the island.
- Mountaintop – Reach the summit of the central volcano.
- Deep Sea Diver – Collect all underwater relics.

Combat Trophies

- Sharpshooter – Kill 100 enemies with headshots.
- Close Quarters Combatant – Use melee weapons to eliminate 50 foes.
- Strategic Eliminator – Destroy 10 enemy vehicles.

Survival Trophies

- Medic – Heal yourself 500 times using medkits.
- Resourceful – Gather 200 units of food and water.
- Night Survivor – Survive a full night with no hostile contact.

Miscellaneous Trophies

- Storyteller – Complete all main missions.
- Side Story Master – Finish every side quest.
- Legendary – Finish the game on Legendary difficulty.

Step by Step Guide to Unlocking Each Trophy

Exploration Trophies

1. Equip a Map Marker to keep track of discovered locations.
2. Use the "Hidden Locations" filter on your in game map to highlight spots.
3. Visit each marked spot, interacting with the environment to trigger a visual cue.
4. Repeat until all 20 markers are cleared.

1. Navigate to the central volcano's base using the main road.
2. Use the Climbing Gear to ascend steep sections.
3. At the summit, interact with the "Observation Post" to trigger the trophy unlock.

1. Equip a Scuba Suit and Underwater Camera.
2. Search for coral reefs and underwater caves marked on the map.
3. Collect each relic by pressing the interaction button while submerged.
4. Return to the surface to confirm the trophy.

Combat Trophies

Headshots require a combination of skill and patience. Here's how to maximize your success:

1. Use a rifle with high accuracy, like the AR-15.
2. Practice aiming at the enemy's head while moving to avoid recoil.
3. Use the "Aim Assist" feature on consoles to fine tune your shots.

4. Keep a tally of your headshot count in the game's HUD.

Melee combat is both fun and trophy worthy. Follow these tips:

1. Equip a Knife or Baseball Bat for maximum damage.
2. Use the "Attack" button to perform a series of rapid strikes.
3. Employ the "Dodge" mechanic to avoid enemy retaliation.
4. Track your melee kills in the HUD and aim for 50.

Destroying enemy vehicles adds variety to combat. To unlock this trophy:

1. Locate enemy convoys or patrols.
2. Use explosive weapons, such as the Grenade Launcher or Rocket Launcher.
3. Aim for the vehicle's engine or fuel tank for instant destruction.
4. Confirm each vehicle destroyed is counted toward the trophy.

Survival Trophies

Healing yourself repeatedly is essential for long term survival:

1. Collect medkits from supply crates or enemy drops.
2. Use the "Heal" button during combat or in safe zones.
3. Keep a running total of your heal usage in the HUD.
4. Repeat until you reach 500 heals.

Food and water are scarce, but gathering them is a staple of Far Cry 3:

1. Harvest fruit trees and fish from rivers.
2. Collect water from natural springs or rain barrels.
3. Store resources in your inventory for later use.
4. Track the quantity of food and water until you hit 200 units.

Surviving a full night requires stealth and strategy:

1. Hide in a safe location, such as a tree or cave.
2. Disable any lights to avoid detection.
3. Listen for enemy footsteps; use the "Hide" button to remain unseen.
4. Stay awake until dawn, then confirm the trophy.

Miscellaneous Trophies

Completing the main missions is straightforward, but keep an eye out for hidden objectives:

1. Follow the main quest markers on your map.
2. Interact with key NPCs to trigger mission objectives.
3. Pay attention to dialogue cues that indicate side tasks.
4. Finish all main missions to unlock the trophy.

Side quests add depth to the game and are essential for the trophy:

1. Explore each region to find quest markers.
2. Talk to NPCs to receive side story missions.
3. Complete each side quest, ensuring you meet all requirements.
4. Confirm the trophy after finishing the final side quest.

Finishing the game on Legendary difficulty is the ultimate challenge:

1. Set the game difficulty to Legendary in the settings menu.
2. Play through the story, ensuring you avoid dying.
3. Use advanced tactics, such as stealth and tactical sniping.
4. Finish the game; the trophy will unlock automatically.

Common Pitfalls and How to Avoid Them

- Missing Hidden Locations – Use the in game map filter to spot all hidden spots.
- Headshot Count Misunderstanding – The HUD displays headshots; double check it if you're unsure.
- Not Tracking Resources – Keep an eye on the inventory counter to avoid missing the 200 unit requirement.
- Ignoring Difficulty Settings – Switching to a lower difficulty can simplify trophy hunting.

Pro Tips for Trophy Hunters

1. Use a Companion – Having an AI companion can provide cover fire and help locate hidden items.
2. Leverage Mods – On PC, mods like "Trophy Boost" can streamline trophy collection.
3. Play in Sessions – Grouping similar tasks together (e.g., all exploration trophies) reduces downtime.
4. Stay Updated – Check Ubisoft forums for patch notes that might alter trophy conditions.
5. Keep a Trophy Log – Maintain a spreadsheet to track progress and avoid duplication.

Frequently Asked Questions

Can I unlock trophies after finishing the game?

Yes, you can. Many trophies are tied to in game actions, not the completion of the story. You can replay
