tv guide the walking dead

Published: September 3, 2026 | Index ID: #-

Introduction

When the first episode of **The Walking Dead** aired in 2010, it sparked a cultural phenomenon that still reverberates today. Fans across the globe have been following the post apocalyptic journey of Rick Grimes and his companions for over a decade, and the series has become a staple in many households. Yet, keeping track of new episodes, special events, and season premieres can be challenging—especially when schedules shift, networks change, and streaming platforms emerge. A reliable **TV guide** is the key to staying up to date and ensuring you never miss a moment of the action.

In this comprehensive guide, we'll explore everything you need to know about using a TV guide to follow **The Walking Dead**. From understanding traditional broadcast schedules to leveraging digital tools and community resources, this article will equip you with the knowledge to keep your viewing experience seamless and enjoyable.

What Is a TV Guide?

A TV guide is a curated list of television programming, detailing what shows air when and where. Historically printed in newspapers and magazines, modern TV guides are predominantly digital, accessible via websites, apps, and smart TVs. They provide:

- Air times for live broadcasts.
- Channel information for cable and satellite networks.
- Recording instructions for DVR users.
- Links to streaming services and on-demand options.

For avid viewers of long-running series like **The Walking Dead**, a TV guide is more than a schedule—it's a roadmap that helps you plan your viewing, catch up on missed episodes, and discover related content.

Why a TV Guide Is Essential for The Walking Dead Fans

There are several reasons why a TV guide is indispensable for fans of **The Walking Dead**:

- Complex Broadcast Patterns – The show has aired on multiple networks over the years, and some regions receive it on different channels.
- Seasonal Shifts – Premiere dates and episode counts vary from season to season.
- Live Events – Special episodes, cross overs, and anniversary broadcasts require precise timing.
- Multi Platform Availability – Episodes are often released on streaming platforms shortly after airing.
- Time Zone Differences – International viewers need accurate local times to avoid missing live events.

By consulting a reputable TV guide, you can navigate these complexities with confidence.

Overview of The Walking Dead Series

Created by Robert Kirkman, Tony Moore, and Charlie Adlard, **The Walking Dead** premiered on AMC in 2010. The series chronicles the survival of a group of people in a world overrun by zombies, known as walkers. Over 11 seasons, the show has delivered:

- More than 200 episodes.
- Multiple spin offs, including The Walking Dead: World Beyond and Fear the Walking Dead.
- An expansive fan community with forums, fan fiction, and fan art.
- Critical acclaim for character development, suspense, and social commentary.

Understanding the series' broadcast history is key to using a TV guide effectively.

Episode Schedule and Airing Times

Seasonal Premiere Dates

Each season of **The Walking Dead** typically begins with a high profile premiere. Here's a quick look at the most recent seasons:

1. Season 9: Premiered on January 21, 2018.
2. Season 10: Premiered on October 5, 2019.
3. Season 11: Premiered on October 4, 2021.

Future seasons are announced by AMC and often include a "premiere week" block featuring multiple episodes back to back.

Episode Count and Length

Season lengths vary, ranging from 10 to 16 episodes. Each episode typically runs between 42 and 48 minutes, excluding commercials. Knowing the episode count helps you plan your viewing schedule and anticipate the end of a season.

Time Slot Variations

In the United States, **The Walking Dead** usually airs on AMC at 10:00 p.m. Eastern Time. However, cable packages, regional broadcasts, and international networks may shift this slot. Always verify the local time in your TV guide.

How to Use a TV Guide to Catch The Walking Dead

Step 1: Identify Your Broadcast Source

Determine whether you're watching **The Walking Dead** on:

- AMC cable channel.
- AMC+ streaming service.
- Other cable providers (e.g., DirecTV, Dish Network).
- International broadcasters (e.g., BBC America, Channel 4).

Step 2: Check the Local Airing Time

Use your TV guide to find the exact time the episode will air in your time zone. If you're in a region with daylight saving changes, double check the schedule.

Step 3: Set Up Recording or Reminders

For DVR users, most TV guides allow you to set up a recording. If you're using a streaming app, enable push notifications or add the episode to your watchlist.

Step 4: Stay Informed About Delays or Cancellations

Occasionally, episodes may be delayed due to network programming changes or special events. A reliable TV

guide will update these changes in real time.

Online TV Guide Resources

Official AMC Website

The AMC website offers a dedicated page for **The Walking Dead** that includes:

- Episode summaries.
- Air dates and times.
- Behind the scenes videos.
- Links to watch on AMC+.

TV Guide.com

TV Guide.com provides a comprehensive listing of all current and upcoming episodes, complete with:

- Searchable episode database.
- Viewer ratings.
- Discussion forums.

TVTime

TVTime is a community driven platform where fans track episodes, rate them, and discuss plot twists. Its schedule feature syncs with your personal watchlist.

TV Guide Apps and Platforms

My Channels (for cable subscribers)

My Channels is an app that lets you view your cable lineup and schedule recordings directly from your smartphone.

Roku and Amazon Fire TV

Both platforms offer apps for AMC and AMC+, allowing you to set up reminders and stream episodes on demand.

Apple TV and Google TV

These streaming devices provide integrated guides for AMC+ and other streaming services, making it easy to find **The Walking Dead** episodes.

DVR and Recording Options

Set up Instructions

1. Open your TV guide on the DVR's interface.
2. Navigate to the The Walking Dead episode.
3. Press "Record" and choose the desired recording quality.
4. Confirm the recording schedule.

Most DVRs also allow you to set up a "record all episodes" rule, ensuring you never miss a new installment.

Cloud DVR Services

Services such as *DirecTV Stream* and *Hulu + Live TV* offer cloud DVR, allowing you to record and watch episodes from any device.

International Broadcast Schedules

Europe

In the UK, **The Walking Dead** airs on Channel 4 and Channel 4+ at 10:30 p.m. local time. In Germany, it's available on RTL and RTL+.

Australia

In Australia, the series is broadcast on Fox 8 and is also available on streaming platforms like *Foxtel Now*.

Asia

Countries such as India and Japan often stream the show on local streaming services or cable channels. Check your local TV guide for precise times.

Streaming Platforms and On Demand

AMC+

AMC+ offers the entire catalog of **The Walking Dead** episodes, including all seasons and spin offs. Subscribers can stream episodes on demand and enjoy ad free viewing.

Netflix (in select regions)

In some countries, Netflix hosts the earlier seasons of **The Walking Dead**. However, it's not a reliable source for the latest episodes.

Amazon Prime Video

Amazon Prime Video sells individual seasons and episodes. This is a good option if you prefer ownership over streaming.

Tips for Staying Updated

Subscribe to Email Alerts

Many TV guide websites allow you to sign up for email notifications. Add **The Walking Dead** to your watchlist to receive alerts about new episodes and special events.

Follow Official Social Media Accounts

AMC and the show's official Twitter, Instagram, and Facebook accounts regularly post updates, teasers, and premiere countdowns.

Use Calendar Integration

Sync your TV guide's schedule with Google Calendar or Apple Calendar. This way, you'll receive push notifications a few minutes before the episode airs.

Join Fan Communities

Platforms like Reddit's r/TheWalkingDead and Discord servers often share real time updates, spoilers, and viewing tips.

Behind the Scenes: Production Schedule

While viewers focus on episode releases, the production of **The Walking Dead** involves complex scheduling:

- Filming typically occurs 6–8 months before the premiere.
- Post production includes editing, special effects, and sound mixing.

- Network executives coordinate episode order and promotional material.

Understanding this timeline can help you anticipate when new episodes will become available on streaming platforms.

Future Seasons and Renewal

AMC has announced that the final season of **The Walking Dead** will be split into two parts, with the first part airing in 2023. Fans can expect:

- Season 12 Part 1: 10 episodes.
- Season 12 Part 2: 8 episodes, scheduled for early 2024.

Keep an eye on official announcements for any schedule changes.

How to Plan Your Viewing

Create a Viewing Calendar

Use a spreadsheet or a digital calendar to map out each episode's air date and time. Mark important milestones such as season premieres and finale nights.

Set Up a Watch Party

For communal viewing, schedule a watch party on streaming platforms that support group watching, such as *Netflix Party* or *Disney+ GroupWatch*.

Use Time Shift Features

Smart TVs often have time shift capabilities, allowing you to pause live TV. This feature is
